Dear Sir/Ms:

This letter will serve as my request pursuant to the provisions of the Freedom of Information Act (5 USC 552) and the Privacy Act (5 USC 552A(d)(1)). I am requesting the following records from your office:

- 1) Records relating to the investigation of myself which resulted in criminal case #13-06008-01-CR-SJ-HFS in the Western District of Missouri.
- 2) Records relating to the search warrant (its application, the supporting affidavit, and the completed and signed warrant) which was served on my residence on September 26, 2011 in relation to the above-listed case.
- 3) Records relating to the actions taken by law enforcement during the execution of the search warrant listed in item #2 and any reports generated as part of the execution of that warrant.
- 4) The analysis (including lists of filenames and corresponding hashes of any files identified as possible, probable, or actual child sex abuses images) of the hard disk drives conducted by the FBI or any of its agents or contracted third parties in relation to the above-listed case.

It is my understanding that the Department Of Justice has instructed the FBI to not disclose these items to me per the plea agreement's clause pertaining to the FOIA waiver which was signed as part of my case. However, according to the U.S. Court of Appeals for the D.C. Circuit, the government cannot enforce a FOIA waiver against a criminal defendant that was part of his plea agreement (See Price v. DOJ, 865 F.3d 676 (D.C. Cir. 2017)).

I agree to pay any reasonable costs, or file IN FORMA PAUPERIS if the costs exceed my ability to pay for them, for the search and copying of the material requested. And, as usually, your office has 20 working days from the receipt of this request to comply with the request or provide reasons for not complying.

Sincerely,

Anthony Accurso 28981-044
